This chart shows all notes of a 24-fret guitar- first shown on the fretboard, then also given in standard musical notation. The numbers correspond to the typical 88-key piano, where the lowest A is A0, and the first C is C1. All notes are noted in the treble clef. More info about this chart can be found at [Strumpatterns.com](http://Strumpatterns.com).

This section displays musical notation for each note from the fretboard chart. Each note is represented by a colored square (corresponding to the fretboard color) and a treble clef staff with a note head and stem. The notes are arranged in a grid that matches the fretboard layout, showing the pitch of each note on a standard five-line staff.
